TRIP HIGHLIGHTS

WICKED

Long before Dorothy dropped in, two other girls meet in the Land of Oz. One, born with emerald-green skin, is smart, fiery and misunderstood. The other is beautiful, ambitious and very popular. How these two unlikely friends end up as the Wicked Witch of the West and Glinda the Good Witch makes for the most spellbinding new musical in years.

AVENUE Q is the story of Princeton, a bright-eyed college grad who comes to New York City with big dreams and a tiny bank account. He soon discovers that the only neighborhood in his price range is Avenue Q; still, the neighbors seem nice. There's Brian the out-of-work comedian and his therapist fiancée Christmas Eve; Nicky the good-hearted slacker and his roommate Rod -- a Republican investment banker who seems to have some sort of secret; an Internet addict called Trekkie Monster; and a very cute kindergarten teaching assistant named Kate. And would you believe the building's superintendent is Gary Coleman?!? (Yes, that Gary Coleman.) Together, Princeton and his newfound friends struggle to find jobs, dates, and their ever-elusive purpose in life.
