The University of Wisconsin-Fox Valley is celebrating its 75th anniversary as well as the many contributions that its faculty, staff and students have made. You are a significant part of the campus' rich historical tapestry.

On Saturday, September 6, UWFox is hosting a special "Re-University Day" at the campus to celebrate its diamond anniversary. Please "SAVE THE DATE" so that you can plan to join us in meeting and greeting former colleagues, touring the campus to see what's changed, and enjoying opportunities to re-connect with a major portion of your life.

There will be afternoon activities for all age groups 1:00 to 4:00 p.m., a reception at 6:00 p.m., followed by dinner and entertainment.
