

# THE BATHROOM READER

Volume 2, Issue 2

September 16-30, 2004

## *Library Display*

**Television: from  
Cartoons to Drama**  
And now for some TV  
Trivia...

What was the most-  
watched series finale?

What national network  
celebrates 50 years on  
the air in 2004?

What year was 'cable  
television' introduced?

These answers and  
more can be found in  
the Library at the dis-  
play area.

2003 was the 3rd  
hottest summer on  
record since 1961.  
World Meteorological Org.

In 1970, Americans  
spent about \$6 billion  
on fast food; in 2001,  
they spent more than  
\$110 billion.

**Is your guppy sick?**  
There is a fish hospital  
in the Netherlands op-  
erated by Dr. M. Blom

## **JOIN your Professional Association Today as a student, enjoy all benefits**

As a student you can join a na-  
tional professional organiza-  
tions and enjoy the benefits to-  
day.

What benefits? Scholar-  
ships, internships, professional  
journals, reduced rates for at-  
tending national and regional  
conferences and all for a frac-  
tion of the price. Do you want  
to be a CPA? The AICPA has a  
student membership for \$35  
and the benefits are amazing.

\*\*\*\*\*

For \$20, the Society of Automotive  
Engineers offers discounts, colle-  
giate chapters, and help when  
looking for a job.

From the American Psychological  
Association, for a fee of \$27a year,  
you can also lower your insurance  
costs and get reduced rates for at-  
tending their annual convention.

For more information, check out  
**Associations Unlimited** avail-  
able online or ask the librarians  
for the name of your organization.  
Faculty can also direct you.
