**Banned Books Week** September 26-30, 2005  
 Since the first printing press was invented by Johannes Guttenberg in 1455, the number of banned books has escalated. The first was in 1521 when all of Martin Luther's works were prohibited.

*"An apple a day keeps the doctor away."* Anonymous

Low in calories, high in fiber, and they are natural breath fresheners. (See above, KISSING). So stop at the neighborhood farmer's market or the local orchard and stock up on fresh apples.
