Athletic Department Overnight-stay Policy

This policy applies to all members of any UW Fox Valley athletic team, pertaining to any time an overnight stay is required for an event.

1. All student athletes will stay in the hotel rooms that have been reserved for them.
2. The maximum number of players staying in one room will be 4 people.
3. The **only** people that will stay in the rooms are members of the UW Fox Valley athletic team – players, coaches, managers, etc.
4. The student-athletes will be in their rooms at night by the time determined by their coach. Any violation of this will result in actions determined by their coach.
5. Any extra costs accrued by the student-athlete at the hotel (phone calls, movie rentals, etc.) will be paid by the individual student athlete. Any vandalism done to the hotel room will be paid by the student-athletes staying in that room.
6. All members of the team will stay together as a group if leaving the hotel for any reason – going to dinner, going to a shopping mall, etc.
Individual players may not go off on their own, or with a small group of athletes.
7. The only exception to #6 is if the player goes with their parents to dinner.
However, the player must notify the coach ahead of time and have it cleared by them.
8. The only extra-curricular activities that are approved are going for dinner, going shopping, going to a movie, or going to watch another athletic event. The head coach has the final say in whether the team will do the activity or not.
9. You are on this trip as a student-athlete representative of UW Fox Valley. Your goal is not to do whatever you want to do. You are there to participate in athletics.
10. If any student-athlete partakes in any activities that are illegal, they will be subjected to any repercussions from the law, as well as disciplinary actions taken by the athletic department. This may include suspensions or removal from the team.

I have read the above and agree to abide by these guidelines.
